

Summary of Gensets Produced at the Juniata Shops

Effective 8/25/2015

A few gensets produced are considered rebuilds but most are considered new. Since rebuilds and new construction are on different sections of this web site, this file is meant to be a summary list of all gensets produced at the Juniata Shops.

Altoona-Built: <http://www.altoonaworks.info/built/jbs>
 Juniata Rebuilds: <http://www.altoonaworks.info/rebuilds>
